Alumni Report AY 2023-24

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality. An Alumni Association is a partner to the college, and the community and has the potential to serve as a resource for advancement, support and mentoring of students. Alumni relationships with the alma mater should be lifelong relationships of mutual support and growth.

Retrace – Management Alumni Interaction Programme

On August 4,2023 department of management conducted an alumni interaction program named Retrace, The objective of the program was to provide an opportunity for current students to interact with alumni , Mr. Leo Thomas, Team leader ,Accenture and learn from the experiences of alumni .The Program was well attended, with alumni returning to share his insights and advice with current students. The discussions were lively and engaging, covering a wide range of topics from career development to personal growth .The outcome of the program was overwhelmingly positive.

Students reported feeling inspired and motivated by the stories and advice shared by the alumni. Many also expressed appreciation for the opportunity to connect with and learn from those who had walked the same path before them. Overall, Retrace was a successful program that achieved its objective of fostering meaningful interactions between alumni and current students. The management department plans to continue hosting similar events in the future to further strengthen the bond between the college and its alumni

Commerce Alumni Association

The Department of Commerce at Santhigiri College of Computer Sciences hosted an alumni interaction session on August 4th, 2023. Hanok, a former student of the department, was invited to share his memories and experiences with the current batch of students.

The event commenced with a welcome speech delivered by MrMejo John Johnson, Head of the Department of Commerce. Hanok then took centre stage, reminiscing about his time at the college and offering valuable insights to the current students.

The session concluded with a vote of thanks delivered by AdarshSiby, a third-year B.Com student. This alumni interaction provided a platform for current students to connect with a former student and gain practical knowledge from his experiences.

Animation Alumni Association

As part of Alumni activities, an interaction session was conducted on 25/03/2024. Mr. Pranav Babu,Aneeta Joy and AromalPraju who are working as Animators in Egllu Animation Studio Malapuram

Pranav Babu, Aneeta Joy and AromalPraju are our 2020 pass out student were good in academic at college time also. They shared their experience after completing the course. The Studio which is one of the fastest growing animation studio in Asia. They specialize in services for high-end cgi animation and gaming projects. The studios is driven by a very close knit management team (all industry veterans), world-class infrastructure, la-based sales and client management, a comprehensive in-house pipeline, and a very committed crew of personnel.

This is a place for both beginners and veterans. We understand that many people wishes to create beautiful art and output But don't know always where to start or how start. Some people just can't find the time to follow their passion project. That is what we're about - making animation, sharing our process, and inspiring actions

Our Students explained their experience as how they got to know about the studio and the training they got from their etc. It was such a valuable talk as he explained not only the opportunities in the industry but also the challenges our students are going to face
