NPTEL Report 2023-2024

Objective	Participants can learn and explore new technologies and acquire a certificate from IIT after the successful competition of the course. One of the basic objectives of NPTEL is to bring all the best teachers in the country under the umbrella of NPTEL and to collaborate with IITs and IISc to record the lecture and make their courses available to the communities of the country under the agreement of the free and open source. In our campus we are providing NPTEL as add on course as the students will get certificates from the best institutes in India
For whom	All the students
Co-ordinated By	SPOC of college should short list and recommend courses and communicate about enrolment date, fee payment date and exam dates to each batch of students
Monitored by	Teachers Teaching in those classes and SPOC
Mode of conduct	Students should opt for 8 weeks or 12-week NPTEL online course, not promote 4-week courses. Student should submit assignments every week and its 25 marks for assignment and 75 in final examination. Students need to get a 40 percentage of marks in each category to get certification. Tutors or Mentors of each course will monitor the progress of students and the t mark obtained in NPTEL.
