REPORT ON

"WORKSHOP ON EXPERIMENTAL LEARNING THROUGH NEW EDUCATION POLICY"

DATE:05.06.2023 to 09.06.2023

VENUE: BEDE MEMORIAL HALL

RESOURCE PERSON: Dr Vineeth K M, Asst. Professor, Post Graduate Department of Commerce Govt. College, Tripunithara.

ORGANISED BY: IQAC & SANTHIGIRI INTERDISCIPLINARY RESEARCH CENTER (SIRC).

The Faculty Development Program (FDP) on Experimental Learning Through the New Education Policy was held from June 5th to June 9th, 2023, at the Bede Memorial Hall. The session, led by Dr. Vineeth K M, Assistant Professor in the Post Graduate Department of Commerce at Govt. College, Tripunithara, was organized by the Internal Quality Assurance Cell (IQAC) and the Santhigiri Interdisciplinary Research Center (SIRC). Dr. Vineeth provided an in-depth exploration of the New Education Policy (NEP), highlighting the transition from rote memorization to experiential learning. He emphasized the significance of engaging students in an interactive learning process, assessing their practical application of knowledge, and equipping educators with the necessary skills through continuous professional development. The session also underscored the importance of multidisciplinary education and fostering a creative research environment to encourage innovative thinking among faculty and students. The FDP aimed to transform the educational landscape by making education more dynamic, inclusive, and conducive to lifelong learning.

REPORT ON

" WORKSHOP ON EFFECTIVE TEACHING THROUGH MODERN TECHNOLOGY AND RESEARCH"

DATE:18.06.2023 to 22.06.2023

VENUE: BEDE MEMORIAL HALL

RESOURCE PERSON: Dr. BINCY BABY, ASSISTANT PROFESSOR, DEPARTMENT OF COMMERCE, ST PETERS COLLEGE, KOLENCHERY

ORGANISED BY DEPARTMENT OF COMMERCE & SANTHIGIRI INTERDISCIPLINARY RESEARCH CENTER (SIRC).

A five-days Faculty Development Program (FDP) on EFFECTIVE TEACHING THROUGH MODERN TECHNOLOGIES AND RESEARCH was held from JUNE 18 - 22, 2023, at Bede Memorial Hall, Organized by DEPARTMENT OF COMMERCE in association with SIRC, the FDP program was led by, Dr. BINCY BABY, Assistant Professor, Department of Commerce, St Peters College, Kolenchery focused on overview of the Training, and gave the Introduction and Overview of Modern Teaching Technologies. She discussed the varied technologies that a teacher can use to make the class interactive and informed different educational channels and applications provided by the Government of India.

She gave insights to the participants about blackboards and whiteboards. A detailed explanation is given on the importance and working of Whiteboards. She also highlighted the usage and benefits of online platforms for Onscreen Marking.The FDP provided an in-depth understanding about the latest technologies which can be used for teaching. Faculty members actively engaged in discussions about the different tools and source of software. Participants were exposed to a plethora of Online resources and Online/ Offline educational Tools. They are also made aware how the profession and practice of teaching is perceived in various countries. The event brought together multiple perspectives and prospects to teaching.

Report on Research Tool :UML & Software Modeling Training Program

Name of Programme Conducted	**Research Tool :**UML & Software Modeling Training Program
Objective of the Programme	How to effectively use object-oriented technologies and software modeling as applied to a software development process.
Target Audience / Batches	Faculties, Department of Computer Science
Date Conducted	22/06/2023,23/06/2023
Venue	Online Mode: Google Meet
Time and Duration	7PM to 8:30PM
Description of program	Corporate training on UML diagrams & Data Flow Diagrams
Chief Guests/ speakers if any	Prof K.T.Thomas, Mr Naived George Eapen Christ University, Lavasa Campus, Pune
Content of speeches	K.T. Thomas had a discussion session with the faculties on data flow diagrams, Mr Naived George Eapen had a corporate training on UML diagrams in object oriented design and modeling. He discussed the basic concepts of UML and how to draw it using online tools.
No of Faculties participated	12
Who organized it	Department of Computer Science
Outcome of program	How to select the basic elements of modeling such as Things, Relationships and Diagrams depending on the views of UML Architecture and SDLC. Got the basic and Advanced Structural Modeling Concepts for designing real time applications.
List supporting documents/Attachments	Poster, Screenshots.

REPORT ON

"WORKSHOP ON INNOVATION AND ENTERPRENUERSHIP"

DATE:04.07.2023 – 08.07.2023

VENUE: BEDE MEMORIAL HALL

RESOURCE PERSON: DR STALIN J, HEAD, ASSISTANT PROFESSOR, DEPT. OF COMMERCE, AVE STELLA MARIS COLLEGE, RAMAMANGALAM

ORGANISED BY: DEPARTMENT OF COMMERCE IN ASSOCIATION WITH INTERNAL QUALITY ASSURANCE CELL (IQAC) & SANTHIGIRI INTERDISCIPLINARY RESEARCH CENTER (SIRC)

A five-day Faculty Development Program (FDP) on innovation and entrepreneurship was held from July 4th to 8th, 2023, at Bede Memorial Hall. This event was organized by the Department of Commerce in association with the Internal Quality Assurance Cell (IQAC) and the Santhigiri Interdisciplinary Research Center (SIRC). The program was led by Dr. Stalin J, Head and Assistant Professor of the Department of Commerce at Ave Stella Maris College, Ramamangalam. The participants engaged in an intensive exploration of the principles of innovation and entrepreneurship. The importance of these concepts was underscored throughout the sessions, highlighting how they serve as key drivers of economic growth and societal advancement. Dr. Stalin J and other facilitators meticulously defined the challenges associated with fostering innovation and entrepreneurship, while also presenting possible solutions to overcome these obstacles.

Throughout the five-day program, participants were actively involved in various interactive sessions. These sessions were designed to deepen their understanding of innovation and entrepreneurship, providing them with practical insights and strategies. Each day, participants had the opportunity to refine their business proposals, benefiting from feedback and guidance from peers and experts alike. This iterative process culminated in well-polished and viable business pitches by the end of the program. Overall, the FDP was a comprehensive and enriching experience, equipping participants with the knowledge and skills needed to drive innovation and entrepreneurship in their respective fields. The collaborative and dynamic nature of the program fostered a supportive learning environment, encouraging participants to think creatively and strategically about their entrepreneurial endeavors.

DETAILED REPORT OF THE DAY

Department of Psychology organised CBT practising programme led by Mr.Bright Jacob Clinical psychologist for psychology students on 14th July2023. Major aim of the programme was to provide students with practical exposure to practising CBT through which they could get a glimpse on the practise of CBT and different dynamics in the practice of CBT. This programme also provided them with the opportunity to interact with Mr.Bright Jacob who is already practising the therapy as well. The programme started around 9:45a.m. Respected principal fr.Dr.Baby Joseph gave the introductory speech and welcomed Mr.Bright Jacob Clinical psychologist and the therapist . Ms. Aswathi Murali (HOD, Psychology Department), Ms. Merin Litty John(faculty) and Ms.Deepa Joseph(faculty) and Mr.Shan Baby (faculty) actively participated in the session together with the students.Firstly, Mr. Bright Jacob gave an introduction about CBT later he gave a detailed explanation. Then the session had a demo on CBT.One of the students volunteered to become the client. The other students took note of the session. The programme was concluded at about 1p.m. One of the student representatives gave vote of thanks. Through this session students were able to develop an insight about cognitive behaviour therapy and its practice

Report

Workshop on "AI –Driven Research Methods for Sustainable Library Management System"

Name of Program	AI –Driven Research Methods for Sustainable Library Management System
Objective of the Program	The main objective of conducting a Library Orientation Programme to develop and apply AI-Driven research methods and investigate the impact of collaborations among librarians, researchers, and the members of the faculty. To apply AI powered tools for sustainable Library Management System and to equip the entrants with knowledge of the College library.
Target audience / Batches	Faculty Members of Santhigiri College
Date Conducted	30/07/2023
Venue	Fr. Bede Memorial Seminar Hall
Time and Duration	10.30 AM to 5PM
Description of Program	This Session signifies a holistic approach to promoting new research methods and scholarly activities. IT also highlights the institutions commitment to enabling faculty members to achieve excellence in research endeavours while simultaneously improving the library visibility and reading culture that nurtures and sustains a thriving research community in our campus
Chief Guests/ speakers if any	Dr. Neelankavil John CMI,Librarian,Christ University ,Bangalore
No of Faculties Participated	34
Who organized it	SGC Library in Association with IQAC & Faculty Development Cell.
Outcome of program	The main outcome of conducting a Library Orientation Programme is to understand AI Concept and applications on the need of research in academics and develop innovative solutions for library resources along with the most relevant research tools aids in research works.

REPORT ON

OUTCOME BASED EDUCATION AND ESSENTIAL AI TOOLS FOR TEACHERS

DATE:11.08.2023 to 15.08.2023

VENUE: BEDE MEMORIAL HALL

RESOURCE PERSON: MR ANDREW JOSE, FOUNDER ACCREDIT 360, COCHIN.

ORGANISED BY: INTERNAL QUALITY ASSURANCE CELL (IQAC) & SANTHIGIRI INTERDISCIPLINARY RESEARCH CENTER (SIRC)

A five days faculty development programme on "OUTCOME BASED EDUCATION (OBE) AND ESSENTIAL AI TOOLS FOR TEACHERS" was held from 11th August to 16th of August, 2023, at Bede Memorial Hall. Organized by IQAC and SIRC, the workshop was led by, Mr Andrew Jose, Founder Accredit, Cochin. The session highlights the aims and significance of the programme in enhancing the quality of teaching community as per the requirements of NEP. He also emphasised the importance of understanding Outcome-Based Education (OBE) and adopting AI tools for effective teaching. The session also covered curriculum designing, mapping, and result analysis. The sessions aimed to equip faculty with strategies to align their teaching practices with OBE principles.

The FDP gave a top to bottom comprehension of educational plan arrangement, evaluation methodologies, and the significance of information driven dynamic in upgrading understudy learning results

Report on "A WORKSHOP ON TUBE AND BULB MAKING"

The Entrepreneurship Development Club of Santhigiri College of Computer Science, Vazhithala, conducted a workshop on "Tube on and Bulb Making" on August 17, 2023, which was very successful. The workshop started at 9.30 a.m. with a silent prayer. The principal, Rev. Fr. Prof. Dr. Baby Joseph, CMI, presided over the workshop. The college manager, Rev.Fr. Paul Parakkattel, CMI, spoke about the importance and objectives of the ED Club. Herbal Heritage Homes CEO, K. Madhukrishnan,(Project Manager ,Nature's Green Guardians Foundation(NGGFn),EMC Kerla Energy Conservation Award Winner-2019)conducted workshop classes for first-year BBA students. The students made bulbs and tubes and distributed them to the differently-abled press staff. Divya Jose, coordinator of the Entrepreneurship Development Club, delivered the vote of thanks. The workshop ended at 4.20 p.m.

REPORT ON

WORKSHOP ON OBE-PO-PSO MAPPING

DATE:11.09.2023 to 15.09.2023

VENUE: BEDE MEMORIAL HALL

RESOURCE PERSON: SIJI ANTONY, ASSISTANT PROFESSOR, SANTHIGIRI COLLEGE OF COMPUTER SCIENCES.

ORGANISED BY: INTERNAL QUALITY ASSURANCE CELL (IQAC) & SANTHIGIRI INTERDISCIPLINARY RESEARCH CENTER (SIRC).

From September 11th to 15th, 2023, a five-day Faculty Development Program (FDP) on OBE-PO-PSO Mapping was held at Bede Memorial Hall, organized by the Internal Quality Assurance Cell From September 11th to 15th, 2023, a five-day Faculty Development Program (FDP) on OBE-PO-PSO Mapping was held at Bede Memorial Hall. Organized by the Internal Quality Assurance Cell (IQAC) and the Santhigiri Interdisciplinary Research Center (SIRC), the program featured Siji Antony, an Assistant Professor at Santhigiri College of Computer Sciences, as the resource person. Throughout the sessions, Siji Antony highlighted the importance of Outcome-Based Education (OBE), explaining the shortcomings of traditional education methods and how to address them. She provided a thorough introduction to OBE, making the concepts accessible and beneficial, especially for beginners. A key focus of the program was on practical aspects, such as designing outcome-based question papers and preparing assessments based on results. Siji Antony demonstrated these techniques with various examples and samples, making it easier for participants to understand and apply the concepts in their own teaching practices. Additionally, she explained the processes for achieving Program Outcomes (PO) and Course Outcomes (CO), illustrating these with relevant examples. The interactive sessions allowed participants to ask questions and engage in discussions, which kept the atmosphere lively and engaging. Overall, the program was a valuable and enriching experience, providing educators with the tools and knowledge to enhance their teaching methods through the implementation of OBE-PO-PSO Mapping.

Report on Expert Talk: Navigating Business World

On December 18th, 2023, Santhigiri College Vazhithala hosted an expert talk on the topic of "Navigating Business World" for its BBA students. The speaker was Mr. Shantin Jose, the Managing Director of Mamparambil Group, a leading business conglomerate in Kerala. Mr. Jose shared his insights and strategies on how to succeed in the post-pandemic world, where business and technology are constantly evolving and challenging. He emphasized the importance of data management, effective leadership, customer privacy, and digital marketing for small and medium enterprises. He also gave examples of how his group leveraged data and technology to create innovative solutions and products for various sectors. The talk was interactive and engaging, as Mr. Jose answered the queries and doubts of the students and faculty. The talk was well-received and appreciated by the audience, who gained valuable knowledge and inspiration from Mr. Shantin Jose's experience and expertise.

DETAILED REPORT OF THE DAY

The social work department of santhigiri college of computer science conducted a program 'Research Opportunities for Social workers in Foreign Universities' on 28 February 2024. The class was taken by the managing director of T&T Global Recruitment Ltd MR. Tomy Sebastian. He shared his experiences by working as a social worker. The students got the knowledge and information about the research and job opportunities and choosing carrier on the basis of their interest in abroad. Most of the students cleared their doubts about the research opportunities in abroad and different jobs in social work profession. They provided forms to the students to understand how many of them want to research/study/ work in abroad as asocial worker. The program finished successfully with the participation of whole students from the social work department.

REPORT on Workshop on Cloud Computing –"Infrastructures Build using Amazon Web services"

Name of Programme Conducted	Cloud Computing -Infrastructures Build using Amazon Web services
Objective of the Programme	Cloud computing workshops offer a convenient and effective way for individuals and organizations to learn about and harness the power of cloud technologies to drive innovation and achieve their goals.
Target Audience / Batches	Degree Students from outside Santhigiri and Santhigiri -S6 BCAstudents.
Date Conducted	29-02-2024
Venue	Bede Memorial Seminar Hall
Time and Duration	9.30 am to 12.30 pm
Description of program	This workshop provided a high-level overview of the process of building infrastructure on AWS. Depending on your specific requirements and use cases, you may need to dive deeper into individual services and configurations. Session explained on Compute services, storage, DB,Content delivery,Virtualization..etc
Chief Guests/ speakers if any	Mr.Adbin Joseph,Cyber Secuty Architect,Cognizant Technology Solutions
Content of speeches	The infrastructure build of AWS
No of Students participated	128
Who organized it	TICSAS & SIRC
Outcome of program	Better understanding on services of cloud. AWS funcationalites,its services, scalable feature, Upsizing and Downsizing of resources

Report on
"Training Programme on Women Empowerment & Entrepreneurship"

"A Society can never reach its Pinnacle unless it gives women 'the status they deserve'"

As a part of women's day the social work department of Santhigiri College, vazhithala Thodupuzha along with Archana women's centre decided to conduct Training program regarding Women Empowerment & Entrepreneurship on 18/03/2024 for final year MSW students. The resource person of the session was Avd.sister Regi Augustine, Human rights coordinator of Archana women's centre. The session was an interactive one which made sure that the students were highly engaged. The resource person also elucidated about various rights of women that were previously unknown to the trainees. She also stressed the need for equality and emphasized that women shouldn't be confined within the four walls of the house rather they must be given an opportunity to flourish and reach their highest potential. The session proved to be really an eye opener and helped the students to understand the various rights of women and new Entrepreneurship ideas.
