DETAILED REPORT

The NSS unit of Santhigiri College, in collaboration with the Idukki District Jail in Muttom, organized a visit to the District Jail, Idukki, on June 24, 2023, aimed at raising awareness among inmates charged with drug-related offences. Key partners for the event included the District Jail, Idukki, the Kerala State AIDS Control Society, the District Mental Health Centre, and the NSS of Santhigiri College. The program was organized and hosted by Sri. Sameer A., Superintendent of Idukki District Jail, and was inaugurated by Dr. Babin from the District Mental Health Program (DMHP), Idukki.

A poster design competition on the theme of "Drug Abuse" was held for the inmates, with prizes awarded to the creators of the top three posters. Dr. Babin conducted an awareness session on the harmful effects of drug use, after which the inmates took an oath against drug use. The NSS of Santhigiri College also performed a mime show based on the day's theme. The event concluded with a signature campaign.

DETAILED REPORT

The social work department of Santhigiri College of Computer Sciences, Vazhithala makes serious efforts to make the curriculum more skill based and practical. Rural camp is the part of the curriculum for the first year MSW students. It gives us an opportunity to get rural exposure, rural life style, to understand rural realities like education status, health status, occupation status, social and political status of the village. Social work camp means the social work students remain in a rural village for experience and to make a study of the

different elements and structure of the village. The students are expected to make an analysis of the living condition of the people in that locality. It helps the students in understanding the of rural society life, their problems and needs, and to help them in preparing a plan for social work practice and community development. This year we visited Pazhampallichal Village, a tribal settlement of Adimali Panchayath for 5 days from 12th October to 16th October 2023.

Objectives

The major objectives of social works rural camps are as follows:

- To make the students understand the rural social system with specific reference to a specific poverty group.
- To study the rural social problems and approaches and strategies of intervention adopted
- Develop the capacity to undertake a critique intervention of both the voluntary organizations and government agencies in relation to the specific poverty group

- Through experience in group living, appreciate its value in terms of self-development, interpersonal relationships, sense of organization, management and taking on responsibility.
- Develop knowledge of the socio- economic and cultural realities, and their impact on the client system with specific focus on marginalized groups.
- Acquire skill in planning, organizing, implementing the camp through conscious use of time, communication skills, team spirit, handling relationships, conflicts and differences of opinion, decision making, evaluation, appreciation, sharing of resources, tasks, coping skills in problem situations, co-operation and co-ordination.
- Develop skills in identifying and utilizing community resources, both Government and voluntary.

Day 1 (12/9/23)

1st semester students of MSW department started travel to Pazhampillichal for rural camp at around 10:00 am from Santhigiri college, Vazhithala. It took almost 3 hours to reach there. After reaching the church (where we stay), we had a meeting to distribute the notices about the programs to the nearby houses and local people. Later on, we reached back and started doing the allocated works for each committee. By 4 pm, we started having the function and the guests were Fr. Thomas Kunnumpuram and ward member Lincy Philip. After the inaugural function, we conducted the cultural programs. By 8 pm we had our evaluation meeting and by 8:30 pm we had our dinner.

Day 2 (13/9/23)

Day started with kitchen duty and rest of the committees with their duties. After cultural programs at 7am, we had breakfast by 8am. Around 9 am we left to the 'kudi' for field visit and reached by 10:45. The travel was on jeep, offroad. After reaching the spot, we got divided into 2 groups and started visiting each house for welcoming them for the programs. By 11:30, we were back to the panchayat ground and started cleaning the ground along with ward member and our faculties. After cleaning the ground, we left for the Kudi for having lunch and reached by 1:45 pm. There was an old man from the 'kudi' who talked about their culture and sung songs for us. After that we travelled

back to our stay by 3:30 pm and reached around 6:45pm. Around 8pm we had meeting and evaluation and by 9:30 pm we had our dinner. There was an issue of water at 11:00 pm and it got sorted the next day by the father and helpers.

Day 3 (14/9/23)

By 7:30 am there was cultural programs, yoga and news reading. By 8:30 am we had breakfast and at 9:30 am we left for cleaning the road sides and invited the local people for the programs at the camp. At 3:00 pm we left to the water falls for bathing and reached back by 6pm. Later on, there was practice for cultural programs. But we couldn't conduct the events because of the heavy rain so we had dinner at 8pm and by 9pm we had our daily evaluation followed by regular cultural programs. It all got over around 12:30 am.

Day 4 (15/9/23)

Day started by moving to church at 7 am for the prayer. After the prayer we had our breakfast and later on, we left for trekking and few took bath in waterfalls. After reaching back at 3 pm we had our lunch at 3:15 pm. By 4:15pm we had our final meeting and thanked everyone there at the church.

Day 5 (16/09/2023)

After the prayer we had our breakfast at 8:30 am and started packing the things and cleaned room by 10:30 am. We left to college around 11 am.

DETAILED REPORT

As a part of Kerala Piravi social work trainees of Santhigiri College came up with the idea of conducting awareness classes to promote the use of homemade vegetables and reduce the dependency on vegetables brought from other states which were mostly poisonous. The trainees also decided to distribute seeds to students to make them realize the necessity of toxin free vegetables. The trainees conducted the programme on 3rd November 2023 at Little Theresa's high school, Vazhakulam. The trainees took awareness classes to the students to make them aware of the fact that consumption of poisonous vegetables would cause them severe health issues and decrease their immunity power. The programme was inaugurated on behalf of teachers of fifth standard who distributed seeds to the leaders of respective divisions. The trainees distributed seeds to the students of upper primary class and their class teachers also took part in the event. Students eventually realized that they are the ones to take initiatives to bring about changes and decided that they would plant the vegetables in their houses as a part of their responsibility

DETAILED REPORT

Trainees from the Social Work Department of Santhigiri College marked Cancer Awareness Day by organizing an educational session at Koothattukulam municipality. The event aimed to raise awareness about cancer, emphasizing the importance of early detection and lifestyle modifications that can help prevent the disease. Honey Devasia, the Outreach Programme Manager from Kochi, served as the chief guest for the event. The session specifically targeted women under the Koothattukulam Municipality, including members of the Community Development Society (CDS) and the Kudumbasree program, a grassroots initiative aimed at empowering women. The awareness class was designed to educate participants on the various aspects of cancer, its risk factors, and the significance of early medical interventions, as well as to encourage healthier lifestyle practices that can reduce cancer risk.

DETAILED REPORT

As part of organizing a community program for semester 1, social work trainees, Santhigiri College Social Work Department conducted an awareness class on 10th November 2023. The topic was “Good Touch and Bad Touch”. The class started at 10 am with the arrival of first trip students and teachers of the school. The students and faculty assembled at the school auditorium stadium by 10 am and the class commenced. The social work trainees took the classes for the children and took the photos. The children were so attentive for the whole time and we could do our job so well with the help of the faculties. We could share the important details of the topic and the children were responding to it so well. The class was taken on the awareness that surely helped the children in knowing about what a good touch is and what a bad touch is. This also helped them in knowing how to respond and react under such circumstances. The class got over by 12 pm and the students thanked us. We thanked the headmistress for giving us such a great opportunity. Thus, we concluded the program.

DETAILED REPORT

Social work trainees of Santhigiri College came up with the idea of conducting a vegetable garden inauguration and seed distribution to promote the use of homemade vegetables and reduce the dependency on vegetables brought from other states which were mostly poisonous. The trainees also decided to distribute seeds to students to make them realize the necessity of toxin free vegetables. The trainees conducted the programme on 10th November 2023 at Govt. L.P School, Karimkunnam. The programme was inaugurated by Mr. Vijesh, Krishi Officer on behalf of teachers who distributed seeds to the leaders of respective classes. The trainees distributed seeds to the students of Lower primary class and their class teachers also took part in the event. Students eventually realized that they are the ones to take initiatives to bring about changes and decided that they would plant the vegetables in their school and houses as a part of their responsibility.

DETAILED REPORT

On 15th January, as part of the National Youth Festival celebrations, the NSS volunteers showcased their dedication to community service by organizing a cleanliness drive at Kolony Junction riverside. This initiative was a significant step towards promoting environmental cleanliness and sustainability in the area.

The volunteers focused on clearing waste, particularly plastic, and ensuring the maintenance of both the junction and the riverside, areas that are crucial for the local ecosystem. Their efforts extended beyond physical cleaning, as they also aimed to raise awareness about the importance of maintaining public spaces and reducing pollution for the benefit of the community.

By participating in this activity, the volunteers actively contributed to the broader goals of the national cleanliness drive. This initiative exemplified the true spirit of youth engagement and social responsibility, reflecting the values upheld by the National Service Scheme. It highlighted how collective efforts, especially by young individuals, can lead to meaningful environmental and social change, inspiring others to follow suit in preserving and protecting their surroundings.

DETAILED REPORT

On 25th April 2024, a trainee conducted a memory camp as part of the community program "Hope 2K24," coordinated by Darwin Jerardh. The event began with an official function where Ms. Reena inaugurated the camp, followed by a presidential address from Ms. Tolly, and felicitations from Mr. Mathew Kanamala. After the formal proceedings, Social Work students administered the Mini-Mental State Examination (MMSE) to assess cognitive health among participants. This initiative aimed to raise awareness about mental health, provide valuable resources, and foster community well-being. The memory camp successfully highlighted the significance of cognitive health and the vital role of social work in community support.

DETAILED REPORT

On 25th April 2024, Santhigiri College Social Work Department students conducted a skill development program under the community initiative "HOPE 2K24." This program was organized in association with Grace Care Geriatric Training & Development Centre Vadavathoor, Don Bosco College Wayanad, Mar Sleeva College of Arts & Science Idukki, and SGCSS Parumala. The focus of the community program was on paper bag making training, aimed at enhancing skills and promoting sustainable practices. The event provided participants with hands-on experience in creating eco-friendly paper bags, fostering both environmental awareness and practical skills. This initiative not only aimed to empower individuals with a valuable craft but also to encourage sustainable alternatives to plastic, benefiting the community and the environment.

DETAILED REPORT

On 27th April 2024, the Social Work Department of Santhigiri College organized a community program titled HOPE 2K24, an awareness rally focusing on HIV. This event was conducted in collaboration with several organizations, including the Grace Care Geriatric Training & Development Centre, Vadavathoor, Don Bosco College, Wayanad, Mar Sleeva College of Arts & Science, Idukki, and SGCSS Parumala. The program aimed to raise awareness about HIV, a critical public health issue, by engaging the community through impactful activities such as a flash mob and street play. These interactive performances were designed to educate the public about HIV transmission, prevention, and the importance of breaking the stigma surrounding the disease. The students took to the streets, creatively spreading messages of awareness and inclusivity, while encouraging the community to approach the topic with empathy and understanding.

The collaboration with other institutions enriched the event, allowing for a broader outreach and more diverse perspectives on the issue. The program highlighted the importance of inter-institutional cooperation in addressing social health issues, emphasizing collective action in the fight against HIV. HOPE 2K24 succeeded in creating a space for dialogue and reflection, empowering individuals to make informed decisions and advocate for those affected by HIV. This initiative also exemplified the role of social work in promoting health and social justice in communities.
