The Faculty Development Program (FDP) on Experimental Learning Through the New Education Policy was held from June 5th to June 9th, 2023, at the Bede Memorial Hall. The session, led by Dr. Vineeth K M, Assistant Professor in the Post Graduate Department of Commerce at Govt. College, Tripunithara, was organized by the Internal Quality Assurance Cell (IQAC) and the Santhigiri Interdisciplinary Research Center (SIRC). Dr. Vineeth provided an in-depth exploration of the New Education Policy (NEP), highlighting the transition from rote memorization to experiential learning. He emphasized the significance of engaging students in an interactive learning process, assessing their practical application of knowledge, and equipping educators with the necessary skills through continuous professional development. The session also underscored the importance of multidisciplinary education and fostering a creative research environment to encourage innovative thinking among faculty and students. The FDP aimed to transform the educational landscape by making education more dynamic, inclusive, and conducive to lifelong learning.

A five-day Faculty Development Program (FDP) on innovation and entrepreneurship was held from July 4th to 8th, 2023, at Bede Memorial Hall. This event was organized by the Department of Commerce in association with the Internal Quality Assurance Cell (IQAC) and the Santhigiri Interdisciplinary Research Center (SIRC). The program was led by Dr. Stalin J, Head and Assistant Professor of the Department of Commerce at Ave Stella Maris College, Ramamangalam. The participants engaged in an intensive exploration of the principles of innovation and entrepreneurship. The importance of these concepts was underscored throughout the sessions, highlighting how they serve as key drivers of economic growth and societal advancement. Dr. Stalin J and other facilitators meticulously defined the challenges associated with fostering innovation and entrepreneurship, while also presenting possible solutions to overcome these obstacles.

Throughout the five-day program, participants were actively involved in various interactive sessions. These sessions were designed to deepen their understanding of innovation and entrepreneurship, providing them with practical insights and strategies. Each day, participants had the opportunity to refine their business proposals, benefiting from feedback and guidance from peers and experts alike. This iterative process culminated in well-polished and viable business pitches by the end of the program. Overall, the FDP was a comprehensive and enriching experience, equipping participants with the knowledge and skills needed to drive innovation and entrepreneurship in their respective fields. The collaborative and dynamic nature of the program fostered a supportive learning environment, encouraging participants to think creatively and strategically about their entrepreneurial endeavors.

From September 11th to 15th, 2023, a five-day Faculty Development Program (FDP) on OBE-PO-PSO Mapping was held at Bede Memorial Hall. Organized by the Internal Quality Assurance Cell (IQAC) and the Santhigiri Interdisciplinary Research Center (SIRC), the program featured Siji Antony, an Assistant Professor at Santhigiri College of Computer Sciences, as the resource person. Throughout the sessions, Siji Antony highlighted the importance of Outcome-Based Education (OBE), explaining the shortcomings of traditional education methods and how to address them. She provided a thorough introduction to OBE, making the concepts accessible and beneficial, especially for beginners. A key focus of the program was on practical aspects, such as designing outcome-based question papers and preparing assessments based on results. Siji Antony demonstrated these techniques with various examples and samples, making it easier for participants to understand and apply the concepts in their own teaching practices. Additionally, she explained the processes for achieving Program Outcomes (PO) and Course Outcomes (CO), illustrating these with relevant examples. The interactive sessions allowed participants to ask questions and engage in discussions, which kept the atmosphere lively and engaging. Overall, the program was a valuable and enriching experience, providing educators with the tools and knowledge to enhance their teaching methods through the implementation of OBE-PO-PSO Mapping.

TRAINING PROGRAMME FOR NON-TEACHING STAFF FOR THE ACADEMIC
YEAR 2023-24

VENUE: BEDE MEMORIAL HALL

DATE: July 22, 2023

SESSION: DEVELOPING PSYCHOLOGICAL CAPITAL

RESOURCE PERSON: Miss Aswathy Murali, Asst. Professor, Dept. of psychology,
Santhigiri College of Computer Science.

On July 22, 2023, a non-teaching staff training programme was held at Bede Memorial Hall, focusing on "Developing Psychological Capital." The session, led by Miss Aswathy Murali, Assistant Professor in the Department of Psychology at Santhigiri College of Computer Science, aimed to enhance the psychological capital of individuals. Psychological capital, which includes elements such as hope, efficacy, resilience, and optimism, is crucial for personal and professional growth. Miss Murali emphasized the importance of each of these elements and how they collectively contribute to an individual's ability to cope with stress and challenges. The session provided practical strategies for building these traits, highlighting their significance in fostering a positive mindset and overall well-being. Participants learned how developing psychological capital could improve their capacity to handle stress effectively, ultimately leading to better performance and satisfaction in their roles. The engaging and informative session offered valuable insights into the benefits of strengthening psychological capital, making it an essential aspect of personal development for the attendees.
